

The Centre de répartition des demandes de services (CRDS) was created to give patients improved access to specialized services while assisting family physicians with specialized service referrals.

**As a medical specialist, you will now see :**

- Patients within the time frame established for their clinical condition (A-B-C-D-E);
- The consultation request (including a summary assessment of the patient) and any prerequisite examination results prior to the patient's appointment.

**Registration**

To register with the Montreal CRDS, please fill out the form available at :  
[inscription.crdsmtl.ca](http://inscription.crdsmtl.ca)

If you prefer a paper version of the registration form, please contact the Montreal CRDS.

**Availability expectations for medical specialists :**

The CRDS will work with managers at your clinic, institution or appointment centre to schedule appointments within the time slots that you have reserved for CRDS referrals.

The Centre de répartition des demandes de services (CRDS) was created to give patients improved access to specialized services while providing family physicians with support in referring patients for specialized services.

### As a family physician, you will have :

- Access to standardized consultation request forms developed by committees of medical specialists and family physicians;
- A single point of contact for sending all requests for an initial consultation with a medical specialist;
- An option on the form to request a specific specialist, clinic or institution;
- The ability to track your patient's record.

### Steps for filling out a consultation request form

#### *Via an Electronic Medical Record (EMR)*

1. Fill out the consultation request form in your EMR
2. Print the duly completed consultation request form
3. Fax your request to the CRDS at 514 732-5121

#### *Paper version*

1. Print the consultation request form available at [www.crdsmtl.ca](http://www.crdsmtl.ca) :  
[www.crdsmtl.ca](http://www.crdsmtl.ca)
2. Fill out the consultation request form
3. Fax your request to the CRDS at 514 732-5121

**The CRDS will contact your patient to schedule an appointment with the medical specialist**
